What's not covered?

- **Removal of stickers or removable hooks** – We do not remove stickers or removable hooks from walls as there is a chance that we could damage your wall or paint work – If you specifically request us to remove these we will not accept any liability resulting from such damage.
- **Removal or shifting of furniture** – Our bond cleaners are not trained in how to correctly lift furniture; therefore in the interests of safety and protection of your property we do not encourage our cleaners to lift or move furniture.
- **Ceiling cleaning** – Unless you specifically request us to clean your ceiling/s we do not clean ceilings as part of a bond clean. Should you require your ceiling cleaned or specific area/s of your ceiling cleaned additional charges may apply dependent on the time needed to complete this task.
- **Tile & Grout Cleaning** – Although our cleaners will manually scrub tiled areas as part of a bond clean we do not specialize in tile and grout cleaning, thus a professional tile and grout clean may be warranted dependent on the condition of your tiles and or grout which is a service separate to that of our bond clean.
